2  1 

Nestled in a quiet Bondi residential street, just a few minutes' level walk to the beach, this wonderful 2-bedroom unit exudes warmth and appeal over an expansive floorplan. Set on the ground floor of a small block of 4, it has been lovingly renovated to modern specifications to complement its 1930s heritage charm, the result being a gorgeous apartment that has the feel of a semi, complete with access to a rear common deck and yard with lush tropical gardens.

Opening with a secure front porch, the home unfolds in a lovely fashion, presenting a long polished-floorboard hallway off which lie the carpeted main bedroom, with built-in robes and adjoining sunroom/study, plus the cosy 2nd bedroom, also carpeted and with b/ins. The bathroom is a brightly tiled space with full bath, the home leading onward to a perfect living room and adjacent gas kitchen
