

48 Francis Street Bondi Beach NSW

3 1

A gorgeous home in a sought-after spot, this 3-bedroom haven is a rare Bondi gem offering sun-blessed indoor/outdoor living with wraparound rear and side outdoor zones, a stroll to the beach. One of a prized collection of houses on the elevated side of Francis St, its wide double-fronted status provides a freestanding cottage-like ambience, with flowing interiors framed by high ceilings and polished floorboards. The 2 front double bedrooms are sunny and spacious, the 3rd a quiet space with garden outlook, while a generous living/family area opens to the side courtyard and flows to the dining room and further to the rear yard/deck, getting plenty of sun. Boasting an array of period details and in beautiful condition, it represents a unique opportunity in a terrific position, with scope to add a 2nd level, potentially providing a district outlook (STCA). Perfect for young families or those looking to make their mark in this premier Bondi
